Information Items

Mr. Tarik Hamdan, Chief Financial Officer, introduced Mr. Timothy Bleick from Milliman, Inc. and he presented the Other Post-Employment Benefits Actuarial Study. He noted that an actuarial valuation under GASB 45 must be performed for plans with a total membership of 200 or more at least biennially. In order to comply with this requirement, the District requested that Milliman, Inc. prepare the updated report as of July 1, 2016. The report shows a significant reduction in total liabilities as compared to the last report just two years ago. Most of the reductions can be attributed to changes in the medical plan and the fact that future retirees will now pay a larger portion of the total premium (up to 12%). Mr. Bleick answered questions from Committee members.

Mr. Kunich arrived at 5:38 P.M.

Mr. Hamdan presented the Monthly Financial Statements. He noted that the month of September was the first month where health and dental insurance expenditures were recorded on the general ledger as the benefits run for 20 pay periods between September and June, that the first equalization aid installment payment was received, and that the maximum tax levy allowed without a referendum was approved by the Board at their October 25 meeting. There were no questions from Committee members.

Mr. Hamdan presented the Summary of Grant Activity and answered questions from Committee members.

Mr. Hamdan presented the Cash and Investment Quarterly Report and answered questions from Committee members.
