Dr. Savaglio-Jarvis presented the Head Start Federal Grant Cost-of-Living Adjustment (COLA) and Quality Improvement Request submitted by Ms. Rohde, Mr. Pitts, Ms. Valeri, and Dr. Savaglio-Jarvis, excerpts follow:

“On March 13, 2020 the Kenosha Unified School District Head Start Program received notification of a Supplemental Federal Head Start Cost-of-Living Adjustment (COLA) and Quality Improvement Supplemental Grant award of \$130,492. Application for the separate Cost-of-Living Adjustment (COLA) and Quality Improvement Grant is due May 15, 2020.

Approval from the Board of Education is requested to submit and implement the Supplemental Head Start Federal Cost-of-Living Adjustment (COLA) and Quality Improvement (QI) Grant for the 2020-2021 school year. The funding of this grant is \$42,712 for COLA and \$87,780 for QI for a total of \$130,492. As stated in the program instruction memorandum, COLA funds are to be used to increase staff salaries and fringe benefits to pay for higher operating costs. The Quality Improvement funds are to be used to improve the program in the area of servicing children and families of trauma. Additionally, funds up to 50% of the QI money can be used for salary and benefit increases.

KUSD Head Start will use these monies to off-set the increased costs of employee salaries and health and dental insurance benefits for the 2020-2021 school year. The anticipated increase in salary costs is estimated to be 4% which amounts to \$41,479. The increases in benefits are estimated to be 9% for health insurance and 5% for dental insurance. \$45,000 of this grant will offset the increases in health benefits for staff. This grant will also support the salary and benefit costs of the Head Start Mental Health Coordinator (Guidance Counselor). This position is critical to supporting our children and families in the Head Start program in the areas of Mental Health. This is a grant given annually to help offset the cost of living for employees working under the Head Start Grant.

All Head Start staff are employed through the Kenosha Unified School District and follow the contract agreements for their work classification. The monies that are provided in the Supplemental Cost-of-Living (COLA) and Quality Improvement Grant will be dedicated toward the cost of the Mental Health Coordinator position and the anticipated increases in salaries, health and dental insurance benefit costs for the 2020-2021 school year. In addition, \$4,000 of this money will support trainings for staff and to provide opportunities to support our families with training and/or support groups with licensed mental health facilitators.”
