

POLICY 5111
BULLYING

The Kenosha Unified School District strives to provide a safe, secure and respectful learning environment for all students and staff members in District buildings, on District grounds, on vehicles transporting students to or from school, and at school sponsored activities on or off school grounds. Bullying has a harmful social, physical, psychological, and academic impact on bullies, victims and witnesses, and is prohibited by the District.

Bullying is prohibited on all District grounds, in all District buildings, and in all District educational environments, including any property or vehicle owned, leased or used by the school district. This includes public transportation used by District students to go to or from school. Educational environments include, but are not limited to, District buildings or grounds used in connection with school sponsored activities.

Bullying is defined as the use of words or actions, intended to cause fear, intimidation or harm. Bullying involves an imbalance of power where the person bullying has more social or physical power than the person being bullied. Bullying also often involves repeated behaviors.

POLICY 5111
BULLYING

All District staff members who observe or are informed of bullying must report in writing to the building principal or assistant principal. All other persons who are aware of bullying in the District are encouraged to report the conduct to the building principal or assistant principal. Upon receipt of a bullying report, the building principal or assistant principal will investigate the allegations. All reports of bullying shall be taken seriously, properly investigated and documented. An act of bullying implicates harassment in violation of Policy 4111 (Employee Harassment) or Policy 5110.1 (Student Equal Opportunity and Non Discrimination in Education), the building principal or assistant principal shall provide notice of the bullying complaint to the Chief Human Resource Officer (CHRO) so that the process provided for in those Policies can be instituted.

The District prohibits retaliation against individuals who report or participate in an investigation of bullying. Individuals engaging in prohibited retaliatory behavior are subject to disciplinary action. If it is determined that bullying or retaliatory conduct occurred, the school district administration shall take disciplinary action, including but not limited to: counseling, detention, suspension, expulsion and/or referral to law enforcement officials for possible legal action as appropriate. Student support staff will provide support services for all students involved in the incident as deemed necessary and appropriate.

This policy shall be distributed annually to all students enrolled in the District, their parents and/or guardians and District staff members through the student information system or direct email. This policy will also be distributed to organizations having cooperative agreements with the District and will be available to anyone upon request.
