Consent-Approve item XI-B – Minutes of the 11

“It is recommended that the November 2018 cash receipt deposits totaling \$276,343.16, and cash receipt wire transfers-in totaling \$3,998,719.23, be approved.

Check numbers 571628 through 573044 totaling \$11,256,551.40, and general operating wire transfers-out totaling \$428,318.89, are recommended for approval as the payments made are within budgeted allocations for the respective programs and projects.

It is recommended that the November 2018 net payroll and benefit EFT batches totaling \$12,563,437.85, and net payroll check batches totaling \$14,078.87, be approved.”

Consent-Approve item XI-D – Policy 3420 – Purchasing submitted by Mrs. Salo; Mr. Robert Hofer, Purchasing Agent; Mr. Hamdan; and Dr. Savaglio-Jarvis, excerpts follow:

“The Kenosha Unified School District receives approximately \$24 million dollars in Federal grant reimbursements annually. As the recipient of significant Federal funds, we are required to follow the current Federal Uniform Grant Guidance (OMB CFR Section 200) which became effective during the 2016 fiscal year. The guidance includes changes to procurement (purchasing) requirements.

In a memorandum from the Deputy Controller of the Office of Federal Financial Management dated June 20, 2018, it states that recent statutory changes set forth in the National Defense Authorization Acts (NDAA) for Fiscal Years 2017 and 2018 raised the

Mr. Kunich moved to approve the consent agenda. Ms. Stevens seconded the motion. Unanimously approved.

Dr. Savaglio-Jarvis presented the 2019-2020 Instructional Calendar Adjustment submitted by Mrs. Lorien Thomas, Research Coordinator; Mrs. Tanya Ruder, Interim Chief Human Resource Officer; Mr. Kristopher Keckler, Chief Information Officer; and Dr. Savaglio-Jarvis, excerpts follow:

“The 2019-20 instructional school calendars were approved by the KUSD School Board in the summer of 2018. Those primary calendars meet the current state requirements for instructional minutes as well as the KUSD local policy of two full days reserved for potential school closings. The existing Wisconsin state requirements require that elementary schools must meet a minimum of 63,000 minutes (1,050 hours) of instruction. Secondary schools have a requirement of 68,220 minutes (1,137 hours).

A recent review of the staff work days revealed a minor discrepancy for the working days for the KUSD extended year schools, Frank & Wilson. This proposed adjustment will bring Frank and Wilson instructional staff workdays into alignment by moving up both the staff return date and the start date for students one day earlier. The staff return date will shift from July 31, 2019 to July 30, 2019. The first day for students will move from August 6, 2019 to August 5, 2019.

Another proposal is presented to move the return week for remaining instructional staff in August a day earlier to allow for a longer Labor Day period. This would move the first day for instructional staff from August 22, 2019 to August 21, 2019. Friday, August 30 would become a non-workday for instructional staff. The first day for students will not change from its current start date of Tuesday, September 3, 2019. All other 2019-20 instructional calendar designations and dates remain unchanged.

These calendars not only meet state requirements, but also include enough minutes for the equivalent of two full instructional days to cover any potential school cancellations.

Certain choice schools, charter schools, and alternative programs align to the majority of the proposed boundary school calendars, but those programs may have minor alterations that best suit their specific instructional format. Regardless of location, all KUSD instructional staff follow a consistent work calendar. The following schools and programs have the approval to deviate from the state mandate for instructional student contact minutes: Brompton, Dimensions of Learning, eSchool, Harborside, Hillcrest, KTEC, Reuther and the Phoenix Program.

Recommendations Administration recommends that the School Board review and accept the proposed 2019-2020 Instructional Calendars adjustments (as noted in the attachments) at its December 11, 2018 meeting.”

Ms. Stevens moved to approve the 2019-2020 Instructional Calendar adjustments as noted in the report. Mr. Duncan seconded the motion. Unanimously approved.

Mr. Hamdan introduced Mr. David Maccoux from Schenck, S.C. and he presented the Annual Financial Report for 2017-2018. Mr. Maccoux presented information on the independent aud

The new law requires (State Statute 118.07 (4) (b, c, d & e)) that school districts file a copy of their school safety plan with the Department of Justice Office of School Safety prior to January 1, 2019, and before January 1 every year thereafter. We have already submitted a copy of our safety plan which we title our District Emergency Operations Plan as part of our School Safety Grant application. The law also requires that the School Board review and approve the plan every three years, and that local law enforcement also review the plan. We had formal review and approval of our plan by local law enforcement as part of the grant submittal process and it was signed by the Director of the Kenosha County Emergency Management Lt. Horace Staples of the Kenosha County Sheriff's Department on May 14, 2018. Review of this report and the associated link will serve as the formal School Board review and approval.

The law also requires (State Statute 118.07 (4) (b)) that school districts in consultation with a local law enforcement agency perform an on-

We will continue to summarize our ALICE training and drills in future reports. We will supplement that with information related to the other training programs we have held and/or are developing in response to the School Safety law and grant applications.

Administration recommends Board approval of the School Safety Law Requirements as described in this report.”

Mr. Battle moved to approve the School Safety Law Requirements. Ms. Stevens seconded the motion. Unanimously approved.

Dr. Savaglio-Jarvis presented the Mary Frost Ashley Charitable Trust 2019 Grant Application submitted by Ms. Patricia Demos, Community School Relations Coordinator; Mrs. Tanya Ruder, Chief Communications Officer; and Dr. Savaglio-Jarvis, excerpts follow:

“In 2010 and 2011, the district applied for and received funding from the Mary Frost Ashley Charitable Trust for the Back-to-School Celebration of Family and Community Event, and parent and student programs. After the sunset of that event, the Trust continued to invite the district to apply for funding to support the academic needs of students and family education programs. Funds have been provided for school supplies, parent and student education and learning experiences, peer-to-peer mentoring, the African American Male Center, etc. etc.”

The all-encompassing program will continue to build on the framework of Joyce Epstein's research from John Hopkins University. The framework includes the Six Types of Involvement for family, school and community engagement; parenting, communication, learning at home, volunteering, decision making and community collaboration. Within that research (Epstein & Sheldon, 2006), Epstein indicates, "School, Family and Community Partnerships is a better term than parental involvement. The concept of 'partnership' recognizes parents, educators and others in the community share responsibility for students' learning and development."

Administration recommends that the Board of Education approve this one-year grant application titled, "Framework for Healthy Youth Development: Expanding the Family Learning and Student Engagement Program" in the amount of \$136,988.27 for submission to the Mary Frost Ashley Charitable Trust."

Mrs. Modder moved to approve the one-year grant application titled, "Framework for Healthy Youth Development: Expanding the Family Learning and Student Engagement Program" in the amount of \$136,988.27 for submission to the Mary Frost Ashley Charitable Trust. Ms. Stevens seconded the motion. Unanimously approved.

Dr. Savaglio-Jarvis presented the Summer School 2018 Update and Summer School 2019 Program Recommendations submitted by Mrs. Patricia Clements, Coordinator of Gifted and Talented Education and Summer School; Mrs. Julie Housaman, Chief Academic Officer; and Dr. Savaglio-Jarvis, excerpts follow:

"The goal of the Summer School program is to provide interventions and enrichment consistent with the approved curriculum of the Kenosha Unified School District. In the programs at the elementary and middle school levels, the objective is to provide opportunities for personalized learning in reading and math that encompassed collaboration, creativity, critical thinking, and communication around meaningful learning targets. At the high school level, the objective is to provide high school students with advanced credit in physical education, credit recovery opportunities, and to improve the graduation rate. In addition, Summer School provided learning opportunities in the areas of music, career exploration camps, world language camps, and Office of Recreation Summer Activities for n,8ki Sor ne .ew9g

Bradford, Indian Trail and Tremper. In-person registration was used at Kenosha e-School and Harborside/Reuther. The high school program included incoming ninth graders enrolled in the Jump Start or Physical Education Foundations course.

The total amount budgeted for Summer School was \$1,253,336. The decentralized Summer School budget gave sites and departments control of their own budgets. The budget amount was based on each school's Summer School attendance from the previous three years. Site administrators developed a budget that included salaries and benefits for both certified and noncertified staff, supplies, and purchased services.

Elementary and middle schools will continue to run on a 24-day schedule. It is proposed that high schools return to offering 2 sessions of 15 days each. Beginning in summer 2016, the high school sessions were reduced to 14 days each in order to accommodate the year end rollover data. The 15-day schedule for each Summer School session ensures that students taking physical education for advanced credit have adequate time to complete the academic standards of the course.

The proposed elementary and middle school Summer School dates are: Monday, June 24, 2019, through Friday, July 26, 2019 (24 days).

- Boundary school online registration—March 18, 2019, through May 10, 2019

- Teacher workday—Thursday, June 20, 2019
- No school—Thursday, July 4, 2019
- High School Session 1—Monday, June 17, 2019, to Monday, July 8, 2019 (15 days)
- High School Session 2—Tuesday, July 9, 2019, to Monday, July 29, 2019 (15 days)
- Credit recovery registration—March 18, 2019, through June 17, 2019
- Summer physical education registration—Begins March 18, 2019
- Teacher workday—Friday, June 14, 2019
- No school—Thursday, July 4, 2019

#### Proposed Program Updates

Elementary School Program - Combine the following elementary schools into a single Summer School site: Grant Elementary School and Jefferson Elementary School.

Middle School Program - Bullen Middle School and Lance Middle School will host their Summer Schools in their respective buildings.

High School Program - Summer School sessions will change from 14 days to 15 days, resulting in the Summer School calendar moving to 30 days.

As an extension to the current English Language Development (ELD) courses, the

Students enrolled in the course are introduced to essential day-to-day social vocabulary and begin to learn academic language that will assist them in preparing for high school course work. The course will be offered at one of the comprehensive high schools and that location will be identified based on student enrollment. All district students will be eligible to enroll in this course. Bus tokens will be provided to students at the non-host
