

Kenosha Unified School District

Local Wellness Policy Triennial Assessment Report Card _ 2019-2020

A local wellness policy guides efforts to create a healthier school environment. Effective wellness policies support a culture of well-being by establishing healthful practices and procedures for students, staff, and families. Schools/districts participating in the federal Child Nutrition Programs are required to complete an assessment of their local wellness policy, at minimum, once every three years. This report summarizes policy objectives and details the results of the most recent evaluation. For questions regarding the results, contact Food Service Department. 262-359-6382.

Overall Rating:
2.1

Ratings are based on a fourpoint scale to measure success in meeting/ complying with each objective.

0 = objective not met/no activities completed

1 = objective partially met/some activities completed

2 = objective mostly met/multiple activities completed

3 = objective met/all activities completed

Nutrition Standards for All Foods in School	Rating
Business and Information Technology (school stores) will support the district's wellness policy by complying with the Nutrition Standards for All Foods Sold in Schools (also known as the Smart Snack Rules).
